Subject: Important Wimberley Lions Club Market Day Update

Important Update

The Board of Directors of the Wimberley Lions Club, after careful and thoughtful deliberation, has made a decision about credits to Vendors.

For every month that Market Day is closed due to Covid-19, booth owners and annual renters will receive a 50% credit of their 2020 fees to apply against 2021 fees. We will delay the billing process for 2021 until we know the remaining Market Day schedule. Specific amounts will be calculated after the first open Market Day is completed in 2020, and we will contact each vendor about their credit.

The Lions Club and our vendors have been presented with an extraordinary event beyond our control. We have done everything to comply with the laws and regulations upon us as we continue to keep in mind the safety and welfare of our community, vendors, and our guests. In an earlier mailing we acknowledged the emotional and economic toll the Coronavirus has caused you, our valued vendors. We hope that you will understand that the Club, to keep our venue in operating condition, has had substantial overhead expenses,

with no income to offset those. We are working hard to reopen Market Day at the earliest possible opportunity.

Tax-deductible donation:

As you may know, revenue from Market Day allows us to support multiple non-profits and provide scholarships to deserving high-school graduates. We are proud to say that the Club has honored its commitments to non-profit organizations and scholarship recipients for 2020. If any vendor wishes to donate to the Lions Club an amount equal to their 50% credit toward that support, we will supply you with a receipt for that amount. Although you should check with your own tax consultant, it is our understanding that you have a one-time opportunity to deduct up to \$300 from your 2020 federal income taxes, even if you do not itemize deductions. Please respond to leasing@wimberleymarketday.com if you choose this option.

We appreciate your business and hope that you are safe and well.
