

Be Smart, Be Safe, & Help us Stay Open!

Please Observe the Following Guidelines to help stop the spread of COVID-19 while shopping at Wimberley Market Day.

- **Face Coverings are Mandatory to Enter Market Day.**
 - Masks or face coverings are required when inside restrooms, vendor booths, or ordering at concession stands.
 - Masks are available at open concession stands, entry gates and the information booth next to Concession 1.
- **Mandatory Social Distancing of 6 feet.**
 - Avoid contact within 6 feet of persons not in your household group, high risk individuals, or anyone over the age of 65.
 - Observe 6 foot rule when in line at concessions, inside vendor booths and restrooms, or when walking in crowded areas of the field.
- **Use Hand Sanitizer- Wash your Hands Frequently.**
 - Sanitize or wash your hands before and after interactions with vendors, Market Day volunteers, and other individuals not in your group.
 - Sanitize or wash your hands after handling items.
 - Hand sanitizer is available at all entry gates, concession stands, the information booth, and many vendor booths. The City of Wimberley has provided 8 Hand Sanitizing stations located throughout the field for your convenience.
- **Anyone with a confirmed case of COVID-19 or experiencing symptoms of it please stay home!**

Symptoms consistent with COVID-19 are:

 - Fever, with a temperature of 100° Fahrenheit
 - Fatigue
 - Dry Cough / Sore throat
 - Loss of appetite
 - Difficulty breathing / Shortness of breath
 - Significant body aches / Headache
 - Chills, sometimes with shaking
 - Loss of taste or smell
 - Congestion
 - Nausea or vomiting / Diarrhea

Thank you for your cooperation!
